

## Heavy-Duty Mechanic, Apprentice Roterra Piling Ltd.

### Who is the Heavy-Duty Mechanic, Apprentice?

As a team member in the Fleet department, the apprentice heavy duty mechanic troubleshoots, performs repairs, maintains, and modifies our extensive fleet of pickups, trailers, heavy haul trucks and equipment. The apprentice heavy duty mechanic provides support to the senior mechanics to ensure vehicles and equipment are ready to move to project sites when scheduled.

### DUTIES:

- Complete general cleaning of shop facilities including but not limited to inventory sorting, tool organization and daily housekeeping
- Clean and inspect company vehicles and equipment upon return from field operations
- Assist in the completion of annual CVIP's
- Interpret work orders and technical manuals
- Assist in the diagnosis of faults or malfunctions and the adjustment or replacement of defective parts, components, or systems
- Test repaired equipment for proper performance and ensure that the completed work meets manufacturers specifications and legislated requirements
- Complete timely preventative maintenance as required
- Record required service reports for all completed repairs and maintenance
- Assist in rig-up modifications of new vehicles and trailers
- Ensure all work is completed according to safe work practices and procedures
- Comply with all health and safety regulations
- Other duties as required

### EXPERIENCE REQUIREMENTS:

- 2<sup>nd</sup> or 3<sup>rd</sup> year apprentice preferred
- Knowledge of industry processes, procedures, and policies
- Heavy equipment experience

### About Roterra

Roterra is turn-key foundation solutions provider with a focus on four main deep foundation technologies: helical screw, bored cast-in-place, driven, and continuous flight auger piling along with excavation support (shoring). We offer engineering and fabrication solutions with a focus on providing end-to-end service. We service all markets and all project sizes and strive to provide an industry-leading customer experience.

### Why work for Roterra?

We offer a comprehensive compensation plan including health and dental package, employee assistant plan, competitive salary, group RRSP and deferred profit-sharing plans as well as room for growth. Roterra has a young and dynamic team that is owner-operated committed to being a leading provider of our core products and services across North America. If you are looking to join a professional team of high functioning and high performing individuals committed to accomplishing significant growth for both the company and the individuals, then Roterra is for you.
